

Hello year 6's! Below are activities that you could complete over the course of a week. Please keep in mind that the tasks below are only suggestions - you can complete as many as you would like at any time.

Subject	Monday	Tuesday	Wednesday	Thursday	Friday
<b>Reading</b>	Complete reading comprehension task 1 the secret of the staff room - Set A questions	Read out loud with a member of your family.  Activity: in a nutshell  Write a 10 word summary of the pages you have just read.	Choose a page of your reading book. Practise a performance reading of that page. What expressions will you use? How could you act it out? How should the punctuation be read?	Complete reading comprehension task 1 the secret of the staff room - Set B questions	Activity: dear diary... in first person, as the main character, write a diary entry about the main event in your story.
<b>Writing</b>  If you are looking for additional writing activities, Jane Considine from the Training Space (On YouTube) holds daily writing lessons that you can watch live or on catch up on their YouTube channel.	He opened the safe and it had gone. No one had the code, who could have opened it?  <b>Task:</b> use this story starter to write your own creative story. Try plotting out the events in your story before you begin to write.	<a href="https://www.literacysshed.com/something-fishy.html">https://www.literacysshed.com/something-fishy.html</a>  <b>Watch video:</b> something fishy  <b>Task:</b> Choose one or more of the options listed below. - Write a recount of the video you have watched - Try writing your own story that used an everyday object from your house as a trigger. - Write your own story of an imaginary world. - Create a comic strip to retell the story in the video.	  <b>Task:</b> Imagine that you have come across this tiny dragon somewhere around your house.  Where is it from? Why is it so small? Are there more like it? Where does it live? How will you look after it? Would you keep it a secret or tell someone? What is it called? Is it magic? What magic can it do?  Can you write a story that involves this dragon in some way?	<b>Task:</b> Write a set of instructions for the maths board game you created last week.  Remember to consider the features of an instruction text.  - Title - Subheadings ( indicate clear sections) - An opening sentence that encourages the reader to have a go. - Clear list of Equipment - Simple steps - Bullet points or numbers for each step. - Imperative ( bossy) verbs telling the reader what to do. - Diagrams or illustrations( if they are relevant).	<a href="https://www.literacysshed.com/oktapodi.html">https://www.literacysshed.com/oktapodi.html</a>  <b>Watch Video:</b> Oktapodi  This film is about a pair of love struck octopi who through a series of comical events are separated and find each other.  <b>Task:</b> Choose one of the writing tasks below to complete.  - Retell the narrative using rich description and vivid imagery. - Write a dialogue between the two octopi at various points throughout. - Discuss what is going to happen to each of the octopi. - Write an alternative ending to the story. - Write stories with flashbacks. Perhaps the octopus wakes up in the truck and has a flashback remembering the tank.

Subject	Monday	Tuesday	Wednesday	Thursday	Friday
<p><b>Maths</b></p> <p>The white rose maths hub has plenty of resources that you can access at home for free.</p> <p>They also have daily lessons and worksheets on their website.</p> <p>You can access their problem on the day using the link below.</p> <p><a href="https://whiterosemaths.com/resources/classroom-resources/problems/">https://whiterosemaths.com/resources/classroom-resources/problems/</a></p>	<p><b>Task:</b> Complete worksheet on decimals.</p> <p>Search the white rose maths hub website - complete their problem of the day.</p> <p>Use your TT rockstars login to practise your timestables.</p>	<p><b>Task:</b> Complete Arithmetic Paper 3.</p> <p>Search the white rose maths hub website - complete their problem of the day.</p> <p>Use your TT rockstars login to practise your timestables.</p>	<p><b>Task:</b> Complete Reasoning Quiz 2.</p> <p>Search the white rose maths hub website - complete their problem of the day.</p> <p>Use your TT rockstars login to practise your timestables.</p>	<p><b>Task:</b> Complete worksheet on percentages.</p> <p>Search the white rose maths hub website - complete their problem of the day.</p> <p>Use your TT rockstars login to practise your timestables.</p>	<p><b>Task:</b> Arithmetic Paper 4</p> <p>Search the white rose maths hub website - complete their problem of the day.</p> <p>Use your TT rockstars login to practise your timestables.</p>
<p><b>Creative Time</b></p>	<p><b>Task:</b> design and create a new book cover for any of the books you have read.</p> 	<p><b>Task:</b> Drawing with everyday objects. You can find inspiration for your drawings all around you! Try finding an everyday object in your house to create a scene, animal, person or object.</p> <p>Here's some examples for inspiration...</p> 	<p><b>Task:</b> create either a self portrait or a portrait of one of your family members.</p> 	<p><b>Task:</b> Draw a close up of a flower or leaf. Try to find a real flower in a garden or on a walk you might take with your family this week. You could always take a photo of the flower and then zoom in as you draw it.</p> 	<p><b>Task:</b> Complete the shading circles or drawing textures activities sheets.</p> 

Below are suggested activities that you could be practising on a regular basis.

<p>Spellings - See the year 5 &amp; 6 spelling list that is attached on the school website. Choose 5 - 6 spellings from the list to practise.</p> <p>You could do any of the following activities:</p> <ul style="list-style-type: none"><li>-Create a word search with your spellings.</li><li>-Write silly sentences with your spellings.</li><li>-Rainbow spellings</li><li>-Write a story that includes each of your spelling words.</li><li>-Hold a quiz with the members of your family.</li></ul>	<p>Timestables - knowing our timestables is extremely important, especially as we move into year 7.</p> <ul style="list-style-type: none"><li>-Use your TT rockstars login to practise your timestables daily.</li><li>- create a timestables game with dice ( maybe this could be part of the board game you design in maths)</li></ul>	<p>Physical Activity - make sure you are trying to be active every day.</p> <ul style="list-style-type: none"><li>- Watch Joe Wicks PE lessons live every day at 9:00am or watch his previous videos at any time of day.</li><li>- Create your own circuit and teach it to the members of your family.</li><li>- Watch some of the Just Dance videos on YouTube and get dancing for 20 - 30 minutes.</li></ul>
