Dear Parent / Carer

## **Leadership of the Academy from September 2020**

As many of you may be aware, I will be leaving the Academy at the end of the summer term. I have thoroughly enjoyed my time at the Academy and hope that I have made a small contribution to its continued journey towards outstanding. I am grateful to colleagues and parents who have accompanied us on the journey so far – it has been a privilege.

I am sad to be leaving the Academy but due to the distance travelled and the failing health of both my parents unfortunately this is a decision I have had to take. I can assure you that throughout this time and to the end of the summer term, I will still be working with the Academy Leadership Team to ensure that the Academy community returns safely and that robust plans are in place to make this happen.

I am delighted to announce that from 1<sup>st</sup> September 2020 Governors have appointed Mr Phil Cosby as Principal and CEO for the first two terms of the new academic year. As you know Mr Cosby has been a committed member of the Leadership Team and Associate Principal for a number of years. He has maintained positive working relationships with student, staff, parents and the wider community for many years. I am confident that Mr Cosby will do everything within his power to ensure that the Academy continues in its success.

In addition I would also like to inform you that Mrs Anne Franklin will continue in her current role as Head of the Primary Phase with cross phase links. Once again many of you will know Mrs Franklin who has been at the Academy for many years and is also fully committed to our staff, children and their families. Since leading the Primary Phase Mrs Franklin has already demonstrated her excellent leadership and drive for school improvement.

Somewhat selfishly I am pleased to be leaving the Academy in the safe hands of two excellent leaders. I am sure you will join me in congratulating them both and hope that you continue to give them your full support.

With warm regards

**Mrs A. Moise-Dixon**  
**Principal and CEO**
