3rd July 2018

Dear Parents

After many successful years as Head Teacher of the Primary Phase, I am sad that we must say farewell to Jane Tayub at the end of the summer term. Mrs Tayub and her family will be relocating to Ireland over the summer period in order to be with their extended family.

Under Mrs Tayub's leadership, the primary phase has continually developed and improved. I am indebted to Mrs Tayub for her diligence and determination over the years that have resulted in many outstanding outcomes and examination results for our children.

The position of Headteacher was advertised nationally and a very high quality of application was received for the post. I am pleased to inform you that Neil Crosbie has been appointed as Head Teacher of the Primary Phase from 1st September 2018. Mr. Crosbie is currently Deputy Head Teacher at the Wood End Academy and has gained many years' of leadership experience through his work in schools in this country and abroad.

I have enjoyed working with Mrs Tayub immensely and I feel sure you will all want to join me in conveying our best wishes to Jane and her family as they prepare for the forthcoming move and relocation. We send our thanks to Jane for her hard work, care and commitment and wish her and her family every success for the future.

With kind regards

Gary Lobbett
