Dear Parent/Carer of Primary Phase pupils

We have been contacted by Ealing Council in relation to the new development of flats which have been built just to the edge of the gates at the Compton Crescent entrance of the Academy.

As you may be aware, residents wishing to access their properties do so via the driveway which leads up to the Compton Crescent gates. This is the only vehicular access to the new development.

Can we please request that all parents and carers refrain from blocking the entrance to the flats when collecting or dropping off their children to the Primary Phase in order to allow residents access to their homes.

Your co-operation in this matter is very much appreciated.

Many thanks

Neil Crosbie
