20th March 2019

Dear Parent / Carer of Primary Phase Pupils,

I am writing to let you know that unfortunately at the end of the academy day, there was a serious incident that took place involving two youths who came to the gates of the academy yesterday. Some of our pupils were there / involved. This incident has been reported to the police as a result and is currently under full investigation at the academy.

We take the safety of our students extremely seriously and as a matter of course have security and a staff presence at the end of each day. Generally the majority of our pupils are sensible and make their way home in a timely and peaceful manner. Staff were on the gate last night however it appears that some of the instructions given were ignored by pupils. This did not help to de-escalate the incident and potentially put pupils at risk.

We will continue to ensure that our young people are safe and will take the appropriate action to minimise further risk to our pupils.

Should your child be worried about anything please do not hesitate to contact me at the academy.

I thank you for your continued support.

Kind regards

Allison Moise-Dixon
