| martyrdom | the death or suffering of a martyr. |

What I should know already...

What I will learn in the future...

Mahatma Gandhi

St Maximilian Kolbe

Martin Luther King

- Facts**
- Moral evil – the acts of humans which are considered to be morally wrong.
 - Natural evil – natural disasters, such as earthquakes or tsunamis.
 - Most people experience suffering at some point in their life. Religion attempts to explain suffering, help people cope with it and learn from it.
 - Muslims believe that suffering can be caused by selfishness and evil of human begins, which leads to bad decisions.
 - Most Jews believe that everything God does is for good. From a human perspective, some actions might seem evil, but they trust that whatever happens on Earth is ultimately according to God's plan, which is good.

Attainment Skills

Speak about how religions address some of the major questions in human life, identifying how sources of authority underpin these perspectives

Speak about the variety of religious practices that people of faith follow, explaining how these shape individuals, groups and societies

Use appropriate religious vocabulary to explain why different forms of religious and moral expression are important to members of faith and belief communities

Speak sensitively and in a reasoned way about both the benefits and challenges of belonging to a religious community in contemporary society

Identify some of the most important issues about meaning, purpose and truth and speak about both their own and others' views on these issues

Discuss the connections between beliefs, teachings and the issues that face human societies in the world today by drawing on the perspectives of different faiths and beliefs
