Numbers in Spanish

Knowledge

- Hola como te llamas?** Greetings is the first topic we are going to learn in Spanish. When we want to start a conversation, in any language, we have to introduce ourselves.
- Saying goodbye in Spanish is the next step. There are different ways:
 - **Adios**
 - **Hasta Luego**
 - **Hasta Manana**
 - **Hasta Pronto**
- Donde vives? Yo vivo en...** To keep building up our learning of Greetings, this question allows us to know more about the person we are talking to.
- Cuantos anos tienes?** We use this to introduce the numbers in Spanish. They are quite similar to English, but the spellings are different. Uno, dos, tres... Can you carry on?
