Dear Parents / Carers,

Recently it has been brought to my attention that our neighbours and local residents, have been subject to unpleasant behaviour from a very small number of parents / carers who either park across their driveways or indeed become impolite or even aggressive when asked to respect their property.

As you know, we are part of a community and we are very keen to keep good relations with our neighbours. To this end, I ask that you ensure that when you are either dropping off or picking up your child, you respect our local neighbours. Please be considerate enough to park in a way that does not obstruct access to or from their property. If you are asked to move your vehicle, please do so respectfully.

I appreciate your support on this matter.

Kind regards

Mrs A Moise-Dixon
